

# Robert J. Entenman Memorial Fund

*Robert John Entenman, Sr. (Bob) of Hudson, Ohio, died December 3, 2019 six weeks after the death of his beloved wife Ann.*

Bob was born in New York City on Friday, February 13, 1929 to Alfred Morris and Augusta (nee Hinsch) Entenman, the youngest of three children.

He grew up in Crestwood, NY and as a teenager worked summers on the Hudson River Day liner. One of his fondest memories was spending a summer as a 10-year-old at Camp Dudley in the Adirondacks, where he embraced the camp motto "the other fellow first". Bob graduated in 1946 from The Hill School in Pottstown, PA where he was an avid track and field competitor and an award-winning debater. He earned a Master's Degree in Chemical Engineering from Cornell University in 1951 and was a member of the Alpha Delta Phi fraternity. Upon graduation he immediately joined the Army and served during the Korean War.

Bob was known for his enthusiasm, positive attitude, big booming greetings and boisterous spirit of fun. He loved tennis, sailing, skiing and cocktail parties and passed these loves along to his children and grandchildren. He and Ann traveled extensively in Europe and enjoyed many summers in Boothbay Harbor ME together. Bob also loved giving back to his local community and was an active member and one-time President of Hudson Kiwanis Club, running numerous kite flying contests and horse shows. He also served on the Hudson Park Board that established Hudson Springs Park, of which he was enormously proud. In his retirement he enjoyed singing in the choir at Christ's Church Episcopal in Hudson, volunteering as an MC on "Good Morning Hudson" TV, tutoring disadvantaged teenage boys, visiting family and sailing with the Hudson Yacht Club and his son Rob. He was a true gentleman, enjoyed life to the fullest, almost always with a drink in hand and pouring one for friends and family.
