

Make a difference with your IRA, give the **gift of a lifetime.**

Are you 70+ and looking to make a difference?

You can make a gift from your IRA, up to \$100,000 per person, TAX-FREE!

What will your legacy do?

Your gift to HCF can create a designated charitable fund in your name, the name of your family or in honor of any person or organization to support the causes you care about. By endowing the fund your legacy will continue for years to come.

What will your gift do for your community?

We will work with you to invest your gift in the community initiatives that are important to you. This can include short term needs or endowments with a vision for the future.

Hudson Community Foundation provides simple, smart and meaningful philanthropy with a highly personal approach to giving. We offer a variety of giving tools to help people achieve their charitable goals. We handle all administrative details, including working with your financial advisor or financial institution.

For more information and ideas on ways to integrate your financial planning with charitable giving, contact our office today!
