

# Kathryn Miceli Memorial Scholarship Fund

**Kathryn (Manos) Miceli, “Kathy,”** passed away unexpectedly on October 7, 2018. She was 67. Kathy was born and raised in Canton, OH. She was a student of Oakwood High School, where she graduated in 1969, was an honor student, cheerleader, and an A ‘Capella choir member. In 1973, she graduated with a Bachelor of Science degree in Mathematics and Education from Walsh College in North Canton, OH. Besides her adoring family, teaching and mathematics were her passions. She taught and influenced countless students in the Plain Township and the Hudson communities for over 35 years, until she retired from Hudson High School in 2014. A former Teacher of the Year with a National Board Certification, she will always be remembered for her dedication to math and her students.

Kathy is survived by her loving husband of 46 years, Gene Miceli, her partner in life who was always by her side. They made each other laugh... a lot. It is a beautiful testament to their marriage that their last date was attending a local comedy show together. Kathy and Gene raised two children in Hudson: Julie Miceli of Chicago, IL, and A.J. Miceli (Hilery) of Hudson, OH. She was a proud grandmother to the light of her life, Nathan Samuel Miceli, age 1.5 years. To her immediate family, she was everything: a constant source of optimism and support, a person who cared about everyone she met, a fantastic cook, and a doting “Yiaya” to her grandson.

Kathy was the daughter of George Manos, (deceased), Audrey and Harry (deceased) Tsilidas, of Canton, OH, and daughter-in-law to Arthur (deceased) and Rosalie Miceli of Garden City, New York. She is survived by her sister Cindy Manos-Steele (Brian) of Twinsburg, OH, her brother George Manos (Rita Castellaneta-Manos) of North Canton, OH, and many cousins, nieces, and nephews whom she loved very much. Per her wishes, there will not be a service, allowing the family to grieve privately.

In lieu of flowers, the family asks that you consider a donation to the **“Kathryn Miceli Memorial Scholarship Fund,”** which encourages Hudson youth to pursue Kathy’s love of education and mathematics. Kathy will forever be missed by many family members, friends, colleagues and former students.
